INTRODUCTION

Welcome Back Everyone!

On behalf of the CBJJF Team, we would like to personally thank you for registering to compete in our upcoming tournament.

We are incredibly excited to host another tournament for you and are thrilled to see your support from the Jiu Jitsu community. As always, we are looking forward to offering Athletes a positive and memorable experience.

Training and competing in Jiu Jitsu is not only physically demanding it is also mentally draining.

While our volunteers and staff represent the CBJJF, we understand that our Athletes are likely nervous about competing and making weight, as well as making their Coaches, Parents/Guardians and Training Partners proud.

As a Team, we promise to conduct ourselves with compassion and professionalism. In return, we ask that you be kind as we navigate our first event back and kindly direct all of your questions or concerns to one of the following Staff Members at the Head Table:

1. Logan Lidemark, Head Referee
2. Sandy Bundschuh, General Manager
3. Clayton Bundschuh, President

In closing, we would like to remind everyone that all CBJJF Tournaments are organized and run with Athletes in mind. This means we do everything we can to provide everyone with a fair, consistent and rewarding experience.

If you have constructive feedback to share, we kindly ask that you do so respectfully. At any time, please feel free to reach out to us at info@cbjif.org.

Thank you!

COMPETITION SCHEDULE

Prior to the event, please visit our [Smoothcomp Event Page](#) to ensure you are well aware of when your bracket starts.

To avoid the risk of disqualification, Athletes MUST be ready to compete **at least one (1) hour** prior to scheduled matches. This means you MUST be checked-in, weighed-in and waiting in the bullpen **at least one (1) hour** before your bracket starts.

Important Note:

Please be diligent and follow along with this Schedule the day of the event. The schedule is subject to change and it is possible we may run ahead or behind schedule throughout the day.

WHAT TO EXPECT DAY OF...

ATHLETES

1. Upon arrival, please visit the Athlete Check-In table. Your name will be checked against our Athlete list for entry. **Priority Check-in will be given to Mighty Mite and Pee Wee Athletes.**
2. If you arrive within 3 hours of your scheduled match, please proceed to the Weigh-In Table. **Priority Weigh-in should be given to Youth Athletes in the following order: Mighty Mite → Pee Wee → Junior → Teen → Juvenile.**
 - If you make weight, you will receive a stamp.
 - If you do not make weight... start running and try again!
3. Following Weigh-in, please proceed to the Bull Pen. **Athletes competing within 30 minutes must wait near the Bull Pen for their division to be called by a designated Ring Coordinator.**
4. Once your division is called, you may be instructed to remain in the Warm Up area, or proceed to have your Gi/No Gi attire checked. **DO NOT LEAVE THIS AREA! YOU MAY BE DISQUALIFIED IF YOU LEAVE THE BULL PEN!**
 - One parent, guardian or coach may wait with a Youth Athlete in the Bull Pen but may not be allowed mat-side (unless a Coach Pass was issued).
5. After your Gi/No Gi attire is checked, you may be instructed to line up in a designated Ring Lane to await your match, or you will be escorted to your match by a Ring Coordinator.
6. Prior to your match, you must wait for the Referee's instructions to enter the mats. **DO NOT STEP ONTO THE MATS WITHOUT THE DIRECTION FROM THE REFEREE.**
7. At the end of your match, you cannot leave the mat to celebrate until the Referee has raised your hand and dismissed you from the mats.
8. After you've competed, you will be instructed to wait mat-side or returned to a Ring Lane until your next match by a Ring Coordinator.

Important Note:

Please wait mat-side or in your Ring Lane until your division is finished. At the conclusion of your division, a Ring Coordinator will instruct you to go to the medal podium immediately to receive your medal.

COACHES

A Coach Pass provides Coaches with mat-side access ONLY when your Youth Athlete is actively competing. You are otherwise required to remain in the designated ring lane.

A Coach Pass does not provide you with mat-side access while Adult Athletes are actively competing. You are required to coach Adult Athletes from behind crowd fencing.

All Coaches must apply for a Coach Pass BEFORE Late Registration closes. Photo ID is required for pick up at the Admissions Table.
