**CBJJF Western Canadian Championship**

South Okanagan Event Centre, Penticton, BC

8:15am: Doors Open; All kids divisions that start at 9:00 and 9:15am should go right to the warm up area as soon as they weigh in. .

**9:00am: Tournament starts**…We aim to start on time!

**EVERYONE PLEASE READ THE FOLLOWING!!**

**Kids**

- Please make sure your child's bracket is on the website and also check their division is on the schedule. Email info@cbjjf.org if it is not.
- One parent per child is allowed into the warm up area (but not mat side) if the child is nervous.
- Kids doing only No Gi only should arrive by 9:00am and weigh in and be ready to be called to the bull pen by 9:30am. If we can start No Gi early we will do so.
- Once a bracket is complete, the medal winners will take the bracket sheet to the medal table for their medals. Do not leave the mat side if you are a medalist until the ring runner gives you the bracket sheet to take to the medal table.
- There will be **NO** changes to the brackets the day of the event. This includes if you are overweight. We simply cannot move people around the day of the event due to the sheer volume of registrants. Please respect the staff and their work load and don't ask.
- Please check your bracket and the schedule Friday night for any final changes.
- We will be competing for third place.

**Adults**

1. Please make sure your bracket is on the website and also check their division is on the schedule. Email info@cbjjf.org if it is not.
2. Please be at the venue 90 minutes before your scheduled start time. If we can start a full bracket early, we will do so. Please listen to our announcements as to whether we are running on time as well as check the TV schedule in the warm up area.
3. You should be on the warm up mats 30 minutes before your scheduled start time. This is where we will go looking for you when we call your division. If we are ahead of schedule and all athletes are available we will start a division early.
4. If you are dropping out for any reason please notify as soon as possible so we can remove you from the bracket and not hold a bracket up waiting for you to show.
5. Helping with bullets 2-4 keeps on schedule.
6. Once a bracket is complete, the medal winners will take the bracket sheet to the medal table for their medals. Do not leave the mat side if you are a medalist until the ring runner gives you the bracket sheet to take to the table. Go directly to the medal table to get your medal. This helps keep our Open divisions on schedule.
7. Medalists from each division must sign up for the Open **at the medal table** before they receive their medals. It is your responsibility to sign up for the open when you receive your medal. There will be **no calls** to sign up for Open after all the divisions have ended. We will create the Open bracket and call all athletes that signed up to the bull pen. There will be no late sign ups once the bracket is created. **NO EXCEPTIONS.**
8. Open start times are **estimates** only and dependent on the completion times of the associated divisions. Please bear this in mind. Your patience and understanding is appreciated if they start late.
9. If you division has a * next to it (i.e. Blue middle *) this designates a big division and that you may not fight for sometime after the division starts (depending on your placement in the bracket). Ask the ring runner to see the bracket so you get an idea of where you are in the bracket. If we can, we'll run the bracket on two mats.
10. There will be **NO** changes to the brackets the day of the event. This includes if you are overweight. We simply cannot move people around the day of the event due to the sheer volume of registrants. Please respect the staff and don't ask.

- Please check your bracket and the schedule Friday night for any final changes.
- We will be competing for third place.
